

Who We Are

Customer Value Partners (CVP) is an award winning consultancy providing strategic business and technology consulting services. We have a national presence with operations in Fairfax, VA, Atlanta, GA, Baltimore, MD, Boston, MA, Jackson, MS and San Diego, CA. Our Public Sector (PS) consultants average more than 15 years of experience, with strong subject matter expertise in both the government and private sector.

What We Do

The focus of our Public Sector group is to help promote the safety and well being of our citizens wherever and whoever they may be. We do this by assuring the effective and efficient performance of organizations at the Federal, State and Local levels and their partners whom are entrusted with this important mission. Our value proposition is to help our clients perform to the best of their capabilities by partnering with them to optimize the performance of available resources and assets through a combination of experience, knowledge, and best practice approaches.

CLIENTS AND SOLUTIONS	
Client	CVP Solution
Office of the Medicare Ombudsman	CVP knows the business of Healthcare in Government. CVP is handling the development of beneficiary issue identification and management, outreach and training and strategic communications for the Office of the Medicare Ombudsman.
Bureau of Diplomatic Security, Department of State	CVP understands the organizational workings that can sometimes hinder progress. CVP is working on the design and implementation of a Program Performance Management System for programmatic and project planning and oversight for the Bureau's activities; this capability will cover the Bureau in its entirety, including 7 Directorates, 24 Offices, 67 Divisions, and 46 Branches.
National Guard Bureau	CVP grasps all of the challenges an organization faces. CVP developed a Business Case/Roadmap strategy for IT infrastructure investment and deployment for the National Guard. IT infrastructure supports all mission critical personnel and logistics related support applications around the nation.
Mississippi Development Authority, State of Mississippi	CVP's team has hands-on experience with Disaster Relief challenges. CVP designed, implemented and managed a program planning and oversight capability to oversee a \$5Billion portfolio Federal Funds earmarked for Katrina relief on the Mississippi Gulf Coast. Funds are focused on economic and infrastructure recovery, as well as housing relief.
